

SPEAKER: I'm not going to hold the board open much longer. There will have to be a call of the house, we will have to go through all of that again if you want to, I don't care. Clerk will record.

CLERK: 27 ayes, 0 nays.

SPEAKER: Keyes amendment is adopted. Is there a motion on the Clerk's desk?

CLERK: None.

SPEAKER: Fine, Senator Waldron.

SENATOR WALDRON: Mr. President, I ask that we move this bill before we take the motion to adjourn. If everyone would just stay in their seats a second we would get the 25 votes. I move that it be advanced to E & R for review.

SPEAKER: Are there any other amendments to the bill? Are there any other amendments to the bill? If not, the motion is to advance the bill as amended. All those in favor vote aye, those opposed vote no. Motion is to advance the bill. This requires 25 votes. Clerk will record.

CLERK: 25 ayes, 1 nay.

SPEAKER: Bill is advanced. Senator Skarda.

SENATOR SKARDA: Mr. Chairman I hear some noise about adjournment. If that is true, I think that it is rather unfair. There are a few more bills here to be taken up, and I have one and I have listened to the static and music of the others for 3 months and I think that there should be a little courtesy extended to the remaining bills would certainly be appreciated.

SPEAKER: Clerk needs to read some reports.

CLERK: Read E & R report. LB875A, 934, 935, 825, 937, 982, 945, 678, all to Select File as amended. Signed John Cavanaugh, Chairman.

SPEAKER: Senator Mahoney.

SENATOR MAHONEY: Mr. President, I know of no adjournment motion and I don't believe that there is any up ther. At this point it was necessary for the Clerk, myself and Emory Burnett to speak for a minute and get directions from you since I am the vice chairman and the Chairman has gone home, the bills that we have been moving today and because we have been moving so rapidly we would have this opportunity here to know what direction we are going for next week. It is the opinion of the Clerk and of various people that we have talked too that if we could have a short half day session Saturday with a minimum of 25 people present and all of you who can come you are encouraged to be here, that at the bills that we have on Select File, we would handle those, we would handle some of the work that we did here today, and this would make it possible for us then to come back then next Tuesday and Wednesday and then that would be the 59th day on Wednesday with the possibility of the 60th day being Thursday and Good Friday falls on Friday so we wouldn't be here for that.
